We don't support piracy at this website. You can buy Mount and Blade: With Fire and Sword on Steam here: <https://store.steampowered.com/app/39200/?l=english> I really regret stealing this game, because it's amazing! I know that if I hadn't pirated it, I wouldn't have gotten the chance to play such a great game. I hope for a sequel, or something else to play. Thank you for reading this, and I hope you have a great day. -TBBJ-

The game was made available as a day-one purchase for the Xbox One and was released on the PlayStation 4 in May 2015. It has been continually developed since then with frequent updates that can be downloaded from the Steam Workshop.
