Rabbit Story is a fast paced time management game where the player takes charge and control of a little rabbit, trying to make him a successful entrepreneur. Can you unlock the secret of the mysterious castle where you will be able to open the gate and gain a fortune by just playing a simple game? The world is struggling with a serious water crisis, and the only solution is the construction of a dam at the bottom of the river. If the dam is built, the river will become dry for many years, but if it's not built, many people will die from the lack of water. A bunch of rabbits needs to act quickly in order to ensure the safety of the water supply of their environment and try to find the secrets of the mysterious Castle. But as a player, you will be able to help them and take part in this very important situation. Your goal is to obtain gold, fruit, plants and hearts that can be used in order to unlock the gates to the castle, and help the animals save water. You won't believe what's inside... Unless you meet the person. The compulsive and incredibly funny funnies game starring a clever alien disguised as a real-looking man and a funny Irish girl living on Earth. The aliens, who are named Murphy and Watt, are two mysterious creatures who were recently caught by the police. The alien Murphy was discovered in a litter box that had been placed under the bed of the home of a bride-to-be, who found it next morning, while cleaning the room. As a result, he was removed from the box and taken to the hospital, where he was examined and understood to be, on the inside, the alien Watt. Apparently, Murphy and Watt, who appeared in front of the bride-to-be, were sent by Watt's aliens to observe human behavior in general. Murphy and Watt observe the bride-to-be and her friends. They begin to understand what happens in every family and what leads them to a happy life, where they want to live
